Music Billy Taylor, Words Dick Dallas

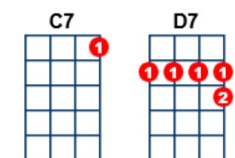

key:C, artist:Nina Simone

I [C] wish I knew [C7] how it would [F] feel [Fm] to be [C] free [G7]

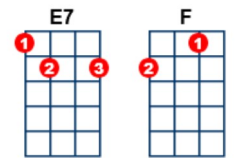

I [C] wish I could [Am] break all these [D7] chains holding [G] me [G7]

I [C] wish I could [C7] say all the [F] things that [Fm] I should [C] say [G7]

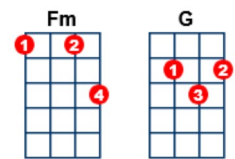

Say 'em [C] loud [E7] say 'em [Am] clear [F] for the [C] whole wide [F] world to [C] hear [G7]

I [C] wish I could [C7] share all the [F] love that's [Fm] in my [C] heart [G7]

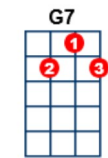

Re-[C] move all the [Am] bars that [D7] keep us a-[G]part [G7]
I [C] wish you could [C7] know what it [F] means [Fm] to be [C] me [G7]

Then you'd [C] see [E7] and a-[Am] gree that [F] every-[C] man [F] should be [C] free [G7]

I [C] wish I could [C7] give all I'm [F] long-[Fm] ing to [C] give [G7]

I [C] wish I could [Am] live like I'm [D7] longing to [G] live [G7]

I [C] wish I could [C7] do all the [F] things that [Fm] I can [C] do [G7]

Though I'm [C] way [E7] over-[Am] due, [F] I'd be [C] start-[F] ing a-[C] new [G7]

I [C] wish I could [C7] be like a [F] bird [Fm] in the [C] sky [G7]

How [C] sweet it would [Am] be if I [D7] found I could [G] fly [G7]

I'd [C] soar to the [C7] sun and look [F] down [Fm] on the [C] sea [G7]

And I [C] sing '[E7] cause I'd [Am] know, [F] how it [C] feels [F] to be [C] free [G7]

And I [C] sing '[E7] cause I'd [Am] know, [F] how it [C] feels [F] to be [C] free
